İnovasyon ve Dayanıklılıkla Seramiğin Sınırlarını Yeniden Tanımlıyoruz

Redefining the Limits of Ceramics with Innovation and Durability

Dayanıklılığı, estetiği ve inovasyonu yaşamın bir parçası haline getiren NG Stone, kullanıcı dostu özellikleri ile seramiğin sınırlarını aşıyor.

NG Kütahya Seramik'in ustalık eseri olan NG Stone, Türkiye'nin kapalı alanda en büyük granit seramik üretim kapasitesine sahip fabrikalarında hayat buluyor.

160x320 cm ve 80x320 cm ölçülerine, 12 mm kalınlığına sahip, ezberler dışında yepyeni bir deneyimle buluşmak isteyenlerin tercihi NG Stone, iç ve dış mekânlar başta olmak üzere tezgâh, lavabo, mutfak dolabı ve TV arkası gibi kullanım alanları ile seramiğin standartlarının ötesinde, hayal gücünüzü zorlayacağınız tüm alanlarda kullanma imkânı tanıyor.

Hijyenik yapısı, alternatifli yüzey seçenekleri, geniş kullanım alanları ve sürdürülebilir üretim teknolojisi ile tasarlanan NG Stone; leke ve kimyasallara, termal şoka, neme, UV ışınlarına, çizilmelere ve aşınmalara karşı son derece dayanıklı formuyla seramik sektöründe inovasyonun sınırlarını zorluyor.

NG Stone, which brings durability, aesthetics, and innovation into everyday life, pushes the boundaries of ceramics with its user-friendly features.

A masterpiece of NG Kütahya Seramik, NG Stone comes to life in factories with the largest indoor granite ceramic production capacity in Turkey.

With dimensions of 160x320 cm and 80x320 cm and a thickness of 12 mm, NG Stone is the choice of those seeking a brand-new experience beyond the ordinary. It offers usage possibilities beyond the standards of ceramics in various areas such as countertops, sinks, kitchen cabinets, and TV backs, allowing you to unleash your imagination in all spaces.

Designed with a hygienic structure, alternative surface options, wide usage areas, and sustainable production technology, NG Stone pushes the limits of innovation in the ceramic industry with its highly durable formula, resistant to stains, chemicals, thermal shock, moisture, UV rays, scratches, and abrasions.

Mekanlarınız için sınırları kaldırıyoruz.

Hijyen, şıklık ve sağlamlık bir arada

Hygiene, Elegance, and Durability Together

NG Kütahya Seramik olarak, NG Stone markamızla Türkiye’de, seramik sektöründe ilk, dünyada ise 11 firmaya verilen NSF sertifikasını almaya hak kazanmanın gururunu yaşıyoruz.

As NG Kütahya Seramik, with our NG Stone brand, we take pride in being the first in the ceramic industry in Turkey and one of only 11 companies worldwide to receive the NSF certification.

Türkiye'de NSF sertifikasını alan ilk seramik firması olarak gıda ile temas eden yüzeylerde yüksek kalite ve tüketici sağlığına verdiğimiz önemi kanıtlıyoruz.

As the first ceramic company in Turkey to receive NSF certification, we demonstrate our commitment to high quality and consumer health on surfaces that come into contact with food.
